

APRIL 2020

SUMMER RIDGE COMMUNITY CENTER NEWSLETTER

Site Director's Message

We hope that you are all well and staying safe during this time. Schools are closed but the learning must continue during the COVID-19 Pandemic. Community Services Foundation's mission to enhance the lives of our residents continues. We are excited to announce that although the community center is closed we are teleworking to provide services and support during this most critical time. Our telework hours will be between 9am and 5:30pm.

We will offer services and activities that will benefit our youth and families.

- With parent consent, we will be implementing 15 minute tutoring calls to youth to support distance learning.
- We will provide additional enrichment activities during our calls.
- We will keep you posted about food distributions and other donations that are near and or on the property.
- We will conduct wellness checks with our adults and seniors to make sure they are aware of specific resources, such as unemployment assistance, etc.

We hope you will stay connected with us and to take the preventive measures to stay safe.

Sharnelle Taylor
Site Director

Nasiah Alexander
Assistant Site Director

**Due to the
Corona Virus
the Rental Office
and the
Community Center
Will Remain
CLOSED
Till Further Notice**

**Stop the
Spread
of the
Corona Virus**

Community Manager's Message

Hello Residents of Summer Ridge!

The health and safety of our residents and staff is important to us. The rental office is closed for walk-ins until further notice. Be sure to pay your rent. If you have any concerns or need to know how to make payments, please call the leasing office. We encourage all our residents to take preventive measures that the Center for Disease Control and Prevention (CDC) recommends:

- Stay at home as much as possible. If you must go out, maintain a 6-foot distance from others.
- Wash your hands often with soap and warm water for at least 20 seconds on both sides and between your fingers.
- Use an alcohol-based hand sanitizer with at least 60 percent alcohol if soap and water are not available.
- Avoid touching your eyes, nose and mouth.
- Avoid people who are ill.
- Disinfect high-contact surfaces, such as door knobs and tables.

If you think you have been exposed to COVID-19, please call for medical advice.

Paula Watson

The clubs are provided in partnership with Urban Atlantic, Community Services Foundation, Edgewood Management Corporation and a grant with Prince George's County Department of Family Services
