Site Director's Message

Youth will make lasting memories at our Summer Enrichment Club, enjoying creative ways of learning and having fun at the same time! They will also meet their friends from our other Community Centers when they arrive at our exciting fields trips to Montpelier Farm, Crofton Skate Zone, Sky Zone, the Baltimore Zoo and our Summer Olympics!

Register your child today to join the club activities that begin **Monday, June 24th from 9am to 6pm every weekday through Friday, August 2nd**. Make sure your child is a part of the fun! Meals, field trip attire and supplies for all activities are provided at no cost to you, so please make sure your child attends everyday and gets registered before the slots are filled, so they don't have to be put on the waiting list!

Monday, August 5th will begin our Open Recreation Schedule from 11am-6pm. This schedule will continue until school starts.

As a reminder, this Summer Newsletter is filled with activities that will be happening from June through August, since there is no newsletter distributed in July or August. Be sure to keep it handy for reference, have an enjoyable summer and remember in August to reserve your child's space in the Afterschool Club!

Adult activities will be suspended during the Summer Club. Keep a look out for a flyer announcing when the activities will resume in August!

Community Manager's Message

Greetings Glenview Residents!

As always, I am pleased to be an assistant and address your needs and concerns.

Reminders: Please inform your guests, visitors and family members of our no loitering policy, inside and outside of our buildings.

Also, please ensure that you submit your rental payments on the due date. Report all maintenance issues as soon as possible. In addition, it is strongly encouraged that you keep the property clean and safe. Thank you in advance for your full compliance.

Andria Dulski

The programs are provided in partnership with the National Foundation for Affordable Housing, Community Services Foundation and a grant made possible through a partnership with Maryland State Department of Education
