Site Director's Message

Youth will make lasting memories at our Summer Enrichment Club, enjoying creative ways of learning and having fun at the same time! They will also meet their friends from our other Community Centers when they arrive at our exciting fields trips to Montpelier Farm, Crofton Skate Zone, Sky Zone, the Baltimore Zoo and our Summer Olympics!

Register your child today to join the club activities that begin **Monday, June 24th from 9am to 6pm every weekday through Friday, August 2nd**. Make sure your child is a part of the fun! Meals, field trip attire and supplies for all activities are provided at no cost to you, so please make sure your child attends everyday and gets registered before the slots are filled, so they don't have to be put on the waiting list!

Monday, August 5th will begin our Open Recreation Schedule from 11am-6pm. This schedule will continue until school starts.

As a reminder, this Summer Newsletter is filled with activities that will be happening from June through August, since there is no newsletter distributed in July or August. Be sure to keep it handy for reference, have an enjoyable summer and remember in August to reserve your child's space in the Afterschool Club!

Community Manager's Message

We will also be performing routine preventative treatments throughout the year and will need your cooperation in obtaining access and performing services.

Resident Portal & Online Payments: Life can get busy and complicated, but we hope this makes things easier. Did you know you that can pay your rent online and place a service request online at your convenience?

Visit our website and register to take advantage at WWW.QUEENSTOWNAPTS.COM. Click "Residents" to login or contact the Leasing Office to obtain your login information.
